## Nathan & Sarah's Wedding

Nathan and Sarah were married on July 25<sup>th</sup> in Davenport, IA. COVID-19 added some stress and changes to plans, but the date and time and church were all as planned. The most important thing is that we were able to be there! We are so grateful to God for that! It was a beautiful wedding.

Nathan and Sarah are now living in Ionia, MI, where Nathan is attending the School of Missionary Aviation Technology (SMAT). Their address for the next year is: 609 N Jefferson St; Ionia, MI 48846.

## Stuck in the USA (Temporarily)

In our last newsletter we told you that we were planning to head back to Papua New Guinea right after Nathan & Sarah's wedding. Well, our flights have been cancelled and rebooked 4 times!

The problem is COVID-19 travel restrictions for going through other countries to get to PNG. We now have tickets to depart for PNG on October 31, arriving on November 2. We pray that we will be able to transit through Australia at that time. We also pray that we will eventually get our money back from the earlier itineraries.

We appreciate your prayers for our return to PNG. We have been and will continue posting

travel updates on Facebook. If you are not already friends with us, there is a link at the end of this letter that you can use to find us on Facebook and send us a friend request.

## While We Wait

While we wait to return to PNG, we are staying in housing at Jaars in Waxhaw, NC, which is where we have our mission aviation headquarters. Although he isn't doing any flying, there are some projects that Jonathan is able to work on remotely for PNG.

As you know from our previous newsletters, Julia will be going back to PNG to teach at the school that we have for missionary kids. She is supposed to be teaching first

## Kids' Korner

**Nathan** will graduate from aviation maintenance training at SMAT on September 17. He will then start his flight training the following week (which is about a month behind schedule due to COVID-19). **Sarah** has a part-time job but is looking for something full-time.

**Julia** is eager to go back to PNG with us and teach at the elementary school that she went to as a child. The school is short of teachers, so they are just as eager for Julia to get there.

**Leah** has started her third year at Concordia University Wisconsin. She is very happy that they have gone back to in-person classes, but it is hard getting used to all of the new COVID-19 procedures. Her mailing address is: Mailbox #547; 700 W Highland Rd; Mequon, WI 53092

**Rachel** is a junior in high school this year! Because of our delay returning to PNG and uncertainty with changes to our travel schedule, Rachel is doing online school with Alpha Omega Academy. It is the same school she used on our last furlough, so it has been nice for her to do something familiar.

grade. They are eager for her to get there – there is a big need.

In our last newsletter we asked you to pray that Julia would get her PNG visa. She got it! Thanks for your prayers.

And, like we said in our last newsletter, Julia's ministry will be supported through our Wycliffe ministry. So, you may send financial support to the Wycliffe or LBT address at the end of this letter and we'll use it to help Julia. It is helpful if you include a note or send us a message to let us know that you sent something for Julia.
