Serving the Lord Through Childcare

July 2021

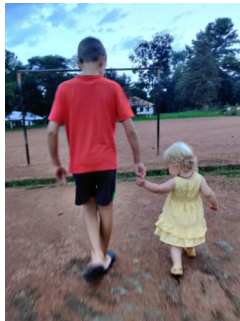

How is Fundraising Going?

Exciting news!! I am 139% funded for my ministry! I have had a few speaking engagements in the past few months. God does wonderful things and he has provided over and above what I had hoped for. Thanks to all of you who gave and who prayed that I would be able to raise the money. I could never have done it on my own.

I spoke at a few different churches and Bible studies. My funding came in much faster than I expected and I'm thankful for that.

Jubilee enjoys sorting things and carrying things from place to place.

Next Steps

Even though I am fully funded, there are still a few things that I have to do before I can travel. These are things like getting certain vaccines and obtaining a visa. I have appointments in July to get a couple of vaccines. That will happen shortly before I leave the country. In order to get a visa, I first have to have a letter of invitation from the church in Cameroon. I have just received that letter and so will hopefully be able to obtain my visa soon.

I have also just gotten my plane tickets to leave for Cameroon. My departure date is August 5th. That will have me arriving in the capital city, Yaounde, on August 6th. The Kuhns will pick me up from there and I will finally be able to meet them in person!

Kuhn Kids are Looking Forward to...

When I asked the Kuhn kids what they were looking forward to doing with me when I got there, Tobias said that he wanted to show me fresh sugar cookies (he likes to bake) and his LEGO sets. Gloria wants to show me the boysenberry bushes and which ones are good to pick. I have discovered that games are a popular thing in the Kuhn house. Gideon wants to play some or all of the games that they have with me. That could be interesting since I am not very good at games. Jubilee likes playing peek-a-boo. She also likes dancing and so is happy when there is music being played. In addition, she is a very organized little person and enjoys sorting things according to however she has it worked out in her head.

Tobias enjoys baking. I'm excited to try his sugar cookies and anything else he makes.

Prayers

Thanks:

- That I have reached my financial goal.
- Everything is going on schedule.

Needs:

- That my visa will be obtained quickly and without complications.
- For the Kuhns as they prepare for my coming and welcoming me into their lives.

Gideon enjoys playing all sorts of games. I'm sure I will learn some new ones.
