Language Development & Bible Translation Project

PROGRESS

- Drafting of Esther
- Drafting and keyboarding of Leviticus 1-7, 1 Chronicles 1-8, and 2 Chronicles 1-7
- Review of Ruth and Jonah
- Prepared Exodus 27-34 for consultant checking
- Consultant checked Exodus 7-26

PRAYERS

- Pray God will bless the preparations for the upcoming church leaders meeting.
- Pray God will bless the efforts of the consultants as they ensure God's Word is accurately presented.
- Pray for unity within the greater Kukele-speaking area, especially those working on the Old Testament translation.

God is moving among the Kukele-speaking people! Scripture engagement is taking place among the Kukele-speaking area of northern Cross River State, Nigeria. Men and women of all ages and levels of education enjoy the Kukele New Testament through song workshops, the Jesus film, and audio recordings.

But the New Testament is not enough for the Kukele community! They hunger for more of the life-changing promises and hope found in Scripture. The Old Testament will increase their understanding of the Gospel message.

The translation process also has setbacks and frustrations. Clan conflicts and church denominational differences are causing disagreements within the translation team and the language committee. Please pray for conflicts to be resolved and for unity among the teams so the Kukele can have access to the full story of salvation.
