Literacy and Scripture Engagement

PROGRESS

- More than 200 learners attended literacy classes
- Literacy centers maintained consistent attendance rates
- Sierra Leone Broadcasting Corporation provided radio coverage for literacy promotion activities
- Literacy teachers attended a five-day training program

PRAYERS

- Praise God for the enthusiasm of literacy teachers.
- Pray for excitement about literacy to spread and literacy center engagement to grow.
- Pray for God to work in the hearts of the students and bring them to faith.

You are changing the low-literacy rates of Sierra Leone! Over two-hundred learners faithfully attend literacy classes across thirty Themne literacy centers. “I am proud to be a public figure and able to take care of my family today, [it] is as a result of the literacy in my own language,” shared Thomas Larkoh, a literacy teacher and committee member.

Literacy changes everything. God’s Word is now accessible to hundreds of Sierra Leoneans. “Before now I saw myself not only as a dropout, but a missed-out. Thank God for Mr. Daniel Fullah who encouraged me to join the literacy program... I can now take care of my family,” Pastor Joseph Conteh, a Themne literacy teacher. New converts to Christianity are joining churches because of their connections with literacy centers. Thank you.
