PRAYERS

- Pray for the books of Ruth and Jonah to bless the Ipili.
- Please continue to pray for God to raise up more team members to support the process.

Thank you for bringing light to the Ipili people of Papua New Guinea. The books of Ruth and Jonah are almost ready for printing! These booklets will be distributed, create enthusiasm for the translation project, and be used by the people for practice reading.

Genesis is almost ready to be typeset. But the final work on Genesis has been delayed due to illness and national elections. National elections tend to bring unsafe conditions for communities. Once the election is complete and translators' health has been restored, progress in the project will continue. More team members will help the translation and community outreach continue more smoothly.

Literacy in the Ipili community is growing and will increase Scripture engagement! You are a vital part of the Ipili Scripture story!
