PROGRESS

- New vehicle for Rev. Linus Otronyi in Nigeria
- New Hilux pickup truck for The Institute of Sierra Leonean Languages (TISLL)
- New vehicle for Ethiopian Evangelical Church Mekane Yesus (EECMY)

PRAYERS

- Praise God for the funds to purchase new vehicles!
- Pray God will work in the hearts of generous donors to cheerfully fund future vehicles.
- Pray for safety as partners drive long distances through hazardous road conditions.

Your gifts provided Rev. Linus Otronyi with a safer vehicle! He travels perilous roads often for his work with language groups in Nigeria. Linus exclaimed, “This vehicle will really make traveling for ministry assignments on our bad roads less stressful!” The vehicle was dedicated at a recent church service.

But that’s not all! Your gifts, in partnership with an LWML grant, also provided a brand-new HILUX pickup truck to the Institute of Sierra Leonean Languages and a vehicle for Ethiopian Evangelical Church Mekane Yesus. Over 13,787,900 people in Ethiopia (with over 20 language communities) and 4,166,000 people in Sierra Leone (with 6 language communities) will be impacted!

Former Regional Director Jim Laesch said, “Safe, reliable vehicles for program support and monitoring are not a luxury. They are a vital part of providing the tools to do the work.” Thank you.
