THE KUKELE LANGUAGE COMMITTEE wants God's Word to impact and transform lives. A literacy and Scripture engagement program promotes activities that benefit all ages. Individual and community relationships will reflect the love of Christ as their Biblical understanding grows.

A pastor endorsing the program shared, "I want to see the use of the Kukele language in church through the reading of the Kukele New Testament. I also encourage the Old Testament translation and teaching the language in primary school."

God's Word will be made available through the Jesus Film, audio recordings and Scripture song workshops. Translation of the New Testament is complete, and the Old Testament is in progress.
