### Printing and Distribution

#### PROGRESS

- You helped Lutheran Bible Translators surpass the Giving Tuesday goal!
- Total of \$22,888 raised in 2022 to print and distribute Bibles
- Translation of the names of cities and places for maps in the back of Shekgalagari New Testament

#### PRAYERS

- Pray for energy and stamina in the final stages of checking.
- Pray for the printing process to go smoothly.
- Pray for excitement in waiting communities to grow.

Praise God for your generosity! The Khwedam, Komba, and Shekgalagari communities are now very close to holding full Bibles or New Testaments in their hands. Anticipation is growing!

The final stages of printing are exhausting for the translation team. Decisions must be made. Tiny details must be corrected. But the end result is worth the exhaustion and effort: an accurate, beautiful, and clear translation. Your generous gifts relieved the financial burden of printing. Soon, translation teams will see drafts from the typesetters. They will hold God's Word in their hands!

Please pray for the Holy Spirit to provide strength, endurance, and wisdom for the team as they press on toward the goal.
