PRAYERS

- Pray for the tribal conflict in surrounding area to find peaceful resolution.
- Pray for safe travel for Zayse translators.
- Pray for funds to be available to increase capacity and replace old and non-functional technology.

The Zayse project has one working computer; translators must share this precious resource. The solar battery is no longer functional, leading to limited mobility. Tribal conflict in the area inhibited travel and disrupted mental health; it is difficult to work when the basic need for safety is not being met. But the team persisted beyond the setbacks and drafted Exodus, Joshua, Ruth, and Joel on schedule. These Old Testament stories will be a balm of healing for the Zayse, illuminating God's plan for redemption in the midst of struggle.

The Zayse people desperately need God's Word to lead them into the way of peace amidst instability. Your gifts make this possible. Thank you for bringing the light of God's Word to this region by supporting this vital project.
