DHIRAYTA SPEAKERS IN ETHIOPIA will soon have the New Testament in their language. A limited number of copies of Genesis, Ruth, and Jonah are also available. But much work remains to be done to complete the Old Testament translation.

A complete Bible will provide a comprehensive history of God's interaction with humanity, from Creation to the fulfillment of His Messianic promise. Faith and commitment to a Christian life will deepen as the Dhirayta learn of God's steadfast and enduring love for all people.

Put God's Word in their hands.
