THE MENDE LITERACY PROGRAM will fulfill the desire of Mende speakers to develop reading and writing skills in their own language. Teachers raised up from within the community will lead workshops, seminars, and literacy groups. Mende speakers will learn to read Scripture at home and in church and churches will see a growth and deepening of faith.

A variety of programs and activities—Bible reading groups, Bible listening groups, radio programming, events highlighting mother tongue usage—will be available to the Mende community. As individuals learn to read and write Mende, they will teach others to do likewise, sharing God's Word with believers and non-believers alike.

Put God's Word in their hands.
