THE SOUTH GUMUZ NEW TESTAMENT is being used! Now local church leaders see a vital need for the Old Testament. A full Bible is critical to understand the foundation of their Christian faith as depicted through God's actions in the Old Testament. A full Bible will also serve as a tool for outreach to the local Muslim community, since the Old Testament shares many common stories with the Qur'an.

Church and community leaders formed a translation committee to establish a translation office and translation team and gather the resources needed to begin work. The Scripture materials produced will assist pastors and youth leaders as they preach and teach through worship activities.

The full South Gumuz Bible will enhance ministry, providing spiritual nourishment throughout the language community.

Put God's Word in their hands.
