“I BELIEVE THAT NOTHING, BUT FAITH AND TOTAL TRUST in the atonement in Christ’s death and redeeming blood gives us right standing with God.” Mrs. Gbeoh heard the Gospel message as a child, attended literacy classes as an adult, and now serves as a reviewer with the Maan translation team. “I am proud to be participating in such a noble task for my people and my church!”

The Maan people believe in a supreme god, but have no way to reach him. Scriptures in Maan will attest to God’s presence and accessibility to His people. The Maan are supportive of the translation and an interest in literacy increases.

A significant portion of the Old Testament has been drafted with ongoing work on the New Testament revision. The project is tentatively scheduled for completion in 2023.
