## Dear Praying Partners,

Greetings from Kara Kuhn in snowy Edmonton! It's been over a year since our last update, and much has changed. Here's a quick catch-up and some exciting news.

### A Look Back

Mike and I began serving with LBTC in 2011, moving to Cameroon to work on Bible translation with the Nizaa people. Over the years, the work grew, as did our family, and Mike eventually oversaw multiple projects across Cameroon.

In 2024, while on furlough, Mike received a call to teach at Concordia Lutheran Seminary in Edmonton. After prayerful consideration, we accepted, and returned to Canada—a bittersweet transition from our beloved community in Cameroon.

### A New Chapter

This past October, LBT-US invited me to apply for a remote role supporting West Africa projects. After prayer and discussion, I accepted!

As West Africa Data Coordinator, I'll help connect supporters with stories of God's work in Sierra Leone, Liberia, Nigeria, and Cameroon, and provide support to Rev. Linus Otronyi, who leads about 30 projects on the ground. It's a half-time role that lets me continue serving from home, using the skills God has grown in me.

### Family Update

Mike is in his second semester at the seminary and enjoying teaching. Tobias (15) and Gideon (13) are thriving in school and trying new sports. Gloria (11) is making friends and missing Cameroon's climbing trees. Jubilee (6) started Grade 1 and likes to draw heart-shaped characters with eyes, a smile, and a belly button.
